

# Sierra Vista Park Vision and Goals

## **Vision**

Sierra Vista Park is northwest Reno's community hub for enjoying natural open space, trails and outdoor recreation in the shadow of Peavine Mountain.

## **Goals**

1. Create a sustainable restoration plan to restore and conserve sensitive lands for wildlife, natural drainage ways, and manage the natural resources
2. Designate and construct a non-motorized trails network for pedestrians, runners, hikers and bicyclists, including trailheads and connections to surrounding trail systems and Peavine Mountain open space
3. Repurpose the former golf course clubhouse and supporting amenities into a recreational, community center and/or commercial space which complements the surrounding parkland and open space
4. Provide active and passive outdoor recreation opportunities which utilize and complement the unique character of the landscape and topography
5. Develop educational opportunities, such as interpretive sites, outdoor classrooms and programming
6. Create a buffer zone for adjacent residents for defensible space
7. Provide sustainable maintenance plan emphasizing public/private sponsorships
8. Create innovative partnerships for funding and stewardship opportunities
